**Our Lady of Lourdes School**  
*“Quality Education with  
Christian Values”*

Our Lady of Lourdes School is a Catholic elementary school serving grades Pre-Kindergarten

through Grade 5. Our main objective is to provide each student with a quality education while ensuring moral values.

Our Lady of Lourdes School believes in the value of a total Christian education. We believe God does have a place in the classroom. We feel no education is really complete without spiritual instruction and moral guidelines as part of a five-day-a-week curriculum.

We strive for academic excellence and are accredited by the New England Association of Schools and Colleges. We also work very hard to keep tuition costs at a very affordable rate so that parents can give their children the gift of a quality Christian education.

*“This is our first year at OLOL. The academic standards have exceeded my expectations, and both of my children have excelled. My children and I have received a warm welcome from the OLOL staff and families, and we couldn't be happier with our decision.”*  
Shaunna O'Connell
